Much Traveled Missionary.

The approaching meetings of the Board of Commissioners for the Propagation of the Faith, which will represent the London Missionary Society, and to do so, will be making a long voyage. Few men have traveled more than the earnest and energetic secretary of this society, who has taken him on his travels to South Africa, New Guinea, and Papua, but also to the South Seas, where he voyaged on the islands in the missionary ship, the "St. Ignace." In the United States and Canada, a busy program has been arranged for him. A reception will be given to him at the Congregation of St. Ignace, where he will address the members and meetings, and will do the same at Ottawa, Montreal, and other cities. He will also be in New York, where he will address the members of the American board of St. Ignace's cathedral. His origin is from the Congregation of St. Ignace, which is a group of missionaries who are working in the United States and Canada. Capt. Bogardus Again Hits the Bull's Eye.

This world famous rifle shot who holds the championship record of 100 pigeons in 100 consecutive shots is living at Lincoln, Ill. Recently interviewed, he says: "I suffered a long time with kidney and bladder trouble and used several well known kidney medicines, all of which gave me no relief until I started taking Foley Kidney Pills. Before I used Foley Kidney Pills I had severe backaches and pains in my kidneys with suppression and a cloudy voiding. On arising in the morning I would get dull headaches. Now I have taken three bottles of Foley Kidney Pills and feel 100 per cent better. I am never bothered with my kidneys or bladder and again feel like my own self." because the missionary society was in arrears with his salary. The coal dealer said, "I don't know you, sir, and I can't sell you my coal on credit. He went home and spent the holidays with his little family in a house without fuel, and of course, without fire; and during the night, when other little children were watching for Santa Claus to make the rounds, his little girl took the coal and all he could do was to carry her in his arms and try to warm her in his own bosom. And yet that missionary brought 125 souls to Christ in that same year."

Lutheran Celebration.

Arrangements have been made to hold a joint celebration of the work of the reformation of the church by Dr. Martin Luther. About sixty Lutheran churches of the synodical conference of this city and vicinity will participate in the service to be held at Carnegie Music hall, October 23, at 3 p. m. It is expected that this celebration will be a large affair. The Lutheran church of the synodical conference is well represented in this city and has some of the largest and most influential churches among its members. It is the largest Lutheran church body in this country. For a number of years the Lutheran churches of this city have been holding these joint celebrations to commemorate the work of the reformation.

Need of America.

"The supreme need of America today is 90,000,000 Christians who will live the principles of Christianity. This was the fervent utterance of the Rev. Joseph A. Ansley of Ocala, Fla., at the Bible conference at Olivet Presbyterian church, held last night at Carnegie Music hall. The greatest conservative movement was 1900 years ago in the redemption of lost souls, and the sublimest calling of men is to carry on this work in such a way that those who have been a menace and curse to the country may become a blessing and a benediction."
